

STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD

In the Matter of United States  
Steel Corporation -- Petition  
to Review Cease and Desist Order  
of Regional Board

Order No. 71-2  
GRANTING PETITION FOR  
REVIEW AND PROVIDING  
FOR HEARING

On December 23, 1970, the United States Steel Corpora-  
tion petitioned the State Water Resources Control Board to review  
a cease and desist order issued by the California Regional Water  
Quality Control Board, San Francisco Bay Region, on November 24,  
1970. The company also requested a stay of the effect of the  
order pending a review and this request was denied on January 7,  
1971.

Based upon a preliminary examination of the record of  
the regional board, this board determines that sufficient doubt  
exists as to the appropriateness of the regional board action to  
warrant a review as requested and that a hearing should be held.

It is so ordered.

Dated: January 21, 1971.
